

NEWSLETTER

WEEK 3 TERM 2 2016

Chocolate Fundraiser

Thank you once again for your fundraising efforts. If you have yet to return your chocolates & monies please do so as soon as possible.

Free Ear Clinic

The mobile clinic will be at Waihi Central School on Friday 3rd May 9:30am - 1:30pm

End of Day Pick-ups

A reminder to please wait patiently outside of the classroom when picking up your child in the afternoons.

Teachers often give important reminders and notices prior to your child being dismissed at the end of the day, so please minimise distractions for the teachers during this time.

Scholastic Book Club

Orders in by Tuesday 31st May

Bell Changes?

During the Term 1 holidays the teachers discussed ways in which we could maximise our Teacher-Student contact time during our core curriculum learning times. Generally mornings are the most productive times of the day at school for both students and teachers. To make the most of this we have adjusted our bell times to give our students the best chance at success. The new bell times are as follows;

- 9:00am School starts
(2 hour core curriculum learning time)
- 11:00am End of morning block beginning of Morning Tea
- 11:30am End of Morning Tea, beginning of Middle block
(1 hour 30 min learning time)
- 1:00pm End of Middle block, beginning of Lunchtime
- 1:50pm End of Lunchtime, beginning of Afternoon block
(1 hour learning time)
- 2:50pm End of School day

Upcoming Events

Wednesday
25th May
X-Country
1:00pm

Monday
6th June
Queens Birthday
Holiday

Wednesday
8th June
Cluster X-
Country

Wednesday
29th June
Whangamata
Netball Tourney

Bus Run Notice

Recently we have had a growing amount of miscommunications with regard to students using our town bus run. If your child is getting picked up from school in the afternoons or not using the bus as they normally would, please let their teacher and/or Jodi know! As sometimes messages sent with students are not being passed on.

Measles Update

The ministry of health have notified us that they continue to receive increasing notifications of new measles cases in the Waikato Region. Some of you would have received a letter reminding you that we do not have confirmation of whether your child is or is not immunised against measles. Please endeavour to get back to us as soon as possible.

Principal's Certificates

Students receiving Principal's Certificates at next Monday's assembly;

- Maddison Davies
- Libby Sammons
- Tyrone Karena
- Tyla Millar

School Sports Teams!

We have an absolutely outstanding amount of students getting out there representing Waimata School in sporting events this term! A big thank you to parents and helpers that have put their hand up to coach and/or manage teams, those that take turns washing our uniforms and of course those that get along to support not only your own children, but all of their team mates as well! Ka mau te wehi!!!

Unfortunately in part due to the large numbers of participation we are unable to use the school van to transport athletes to and from their various venues as we once used to. If you do need assistance getting your child to their particular sports throughout the week, please let us know sooner rather than later as we do not want to see our tamariki missing out!

Senior Sports Draw

Year 5&6 Soccer Draw for this Friday 20th May:

- 3:30pm Waimata vs Waikino (Field 3)
4:15pm Waimata vs East Phoenix (Field 1)

Netball Draw for this Saturday 21st May:

- 9:00am Year 1&2 Fun Ferns (Court 5)
11:00am Waimata Weta vs St Joes Leopards (Court 4)
1:00pm Waimata Magic vs Central Gold (Court 2)

WHAKATAUKI O TE WIKI

Every accomplishment starts with a decision to try!
