Upcoming Events

Home-School Communication

At Waimata School we believe in the importance of 'partnership' between home and school, with regard to each child's learning. As part of this we are always willing to take the time to ensure that these lines of communication remain clear and open. Where possible we try to be as flexible as we can when trying to find an opportunity to meet, but cannot always guarantee that we can accommodate everyone. Some general guidelines:

- If you require more than 1 or 2 mins to pass on a message to a Teacher regarding your child, book in a time to meet with them at a later date (this ensures that they have your full attention)
- Mornings are often a crazy time in schools with many things popping up unexpectedly! Your best chance to 'catch' a teacher is in the afternoons!
- If you are just requiring a message to be passed on, you are more than welcome to write a note and send it along with your child or leave a message on the school phone/cell which Jodi can pass on.

We look forward to continuing to work with you in providing the best possible outcomes for 'our tamariki'

WBOP Cross Country

A big  to Maya Dodd for representing our school at the recent WBOP Cross Country! Maya placed 20th in the Year 5 Girls race which is a fantastic achievement when you consider that includes every school from Waihi through to Te Puke!

Friday Lunch Orders

Don't forget that we have Sausage Sizzle and warm Milo lunch orders for this Friday 1st July! Lunch order forms and money into the office by Friday morning please!

School Van Run

A timely reminder to all users to please ensure you are at your child's pick up and drop off points ahead of time, so we can keep to our timetable. While we would love to be more flexible with times and locations of pick up and drop offs, the fact that our runs are usually full means we can't. We can not stress enough that as this is a 'free service' there are limitations to what we are able to provide, so please keep this in mind!

Attendance Targets

Attendance rates are a set target in our school Charter. To track this we need exact reasoning for all absences. When texting and/or leaving a message on the phone regarding your child's absence please state the reason they are away from school as we would prefer not to have to come across as 'being noesy' should we be required to contact you to identify the specific reason.
