Waimata School – Principal Announcement

Kia ora e te whānau,

Our appointment process was extensive and we were delighted to have a strong field of candidates, our community should be proud of the board for their dedication and commitment to a robust process involving visiting candidates in their own kura setting etc

We would like to thank Tony Grey our consultant for all his awhina throughout this process, it was invaluable. We would also like to thank tamariki, kaiako and the community for your input in the qualities you all want to see in our next Tumuaki/Principal.

The Board of Trustees is pleased to announce that Raelene Miller will be our new Tumuaki/Principal at Te Kura O Waimata starting Term 4 2024. Whaea Raelene is currently Deputy Principal at Waitakaruru School and has a wealth of knowledge and experience.

Whaea Raelene is often found in the hangi pit, out in the play ground, kicking a ball or playing hockey at her current kura, she can even do the moonwalk 🤸🏻🤸🏻🤸🏻
We truly believe Whaea Raelene can help our kura continue to grow and achieve great things, we are very excited to have her on board.

Nau Mai Haere Mai Whaea Raelene

If you have any patai please do not hesitate to ask.

Ngaa Mihi
